

# Join the CDS Patriot Booster Club

The Patriot Booster Club is an organization of parents whose desire it is to assist in building a quality athletic program, and whose purpose it is to support the operation of the athletic department.

In cooperation with the Athletic Director, the Boosters provide support for all athletic teams and athletic activities. By becoming a member of the booster club, by volunteering, fundraising, and providing donations, together we can build the athletic program our children so richly deserve. **Join today!**
