

Thanksgiving Food Drive

FEED A FAMILY

The Upper School Human Rights Club is sponsoring a school-wide Thanksgiving Food Drive this year. Metropolitan Ministries will feed over 50,000 families in the Tampa Bay area over Thanksgiving and Christmas this year.

We are challenging each MS & US advisory/LS class to bring in at least 1 meal for a family. We will recognize the advisory that collects the most meals! Each room has their own Box of Hope to fill up. The boxes will be delivered Tuesday, November 10 and the collection will end on Monday, November 16.
