6th-grade students will be provided with a planner/agenda during orientation to be used for the 2021-2022 school year. Students bringing lunch to school should have a reusable lunch box or bag. We also encourage the use of reusable containers and utensils in an effort to reduce the use of plastic bags and wrapping.

## **BYOD Technology at CDS**

Refer to <https://carrollwooddayschool.org/academics/tech> for information about BYOD (Bring Your Own Device) Technology at CDS. We have expanded the selection to include Chromebooks and Windows laptops in addition to Apple Devices. The reference page provides some recommendations for devices that fit within different budgets. We recommend installing antivirus software (Malwarebytes, Avast, etc.) on any device that you choose. Prior to the first day of school, students should be familiar with their device and be able to perform the following, basic functions.

- Log into the device
- Take screenshots of photos and videos
- Locate and open files
- Create folders
- Upload, download, and share files via Google Drive
- Launch applications
- Download and install applications/add-ons
- Update the operating system and applications
- Troubleshoot basic Wi-Fi and connectivity issues
- Force quit applications and restart the device
