This form, for route planning purposes, must be completed and returned to the school by **JULY 31, 2021**. All late subscriptions will be served on a first come first served basis due to space limitations on the bus. The school will determine routes for all buses. Subscription for services is a contract for the year and fees are billed on monthly basis starting August 31, 2021 with all fees paid through your FACTS account. Services used by non-subscribers will be billed **\$25** for each ride used.

In the event of insufficient subscriptions, the School reserves the right, in its sole discretion, to suspend or terminate transportation services on any route. If transportation services are suspended or terminated, fees will be prorated accordingly. Routes are determined by the School to meet the needs of the greatest number of students. In some instances, the number of students transported on a bus route or shuttle may be capped to maintain compliance with state and federal regulations; this will be determined at the sole discretion of the school, and riders will be served on a first come first served basis in accordance with receipt of this agreement.

The School reserves the right to suspend or terminate its transport of any student whose behavior during transport, whether on or off the vehicle, in the sole discretion of the School, is deemed to constitute a risk to the safety and/or well-being of others or to the safe operation of the vehicle or is non-compliant with the School Bus Safety Regulations.

The undersigned financially responsible parent or guardian, for himself or herself and on behalf of the student to be transported, as herein set forth, hereby releases the School and its employees, trustees, and agents from any and all liability and agrees to hold the School and its trustees, employees, and agents harmless from any claim arising out of any bodily injury to any student or property damage occurring during or in the course of any transportation provided pursuant to the School's acceptance of this Agreement.
