

SUMMER SUCCESS AT CDS

**FLYER
FUN**

SEND US A PIC

Mark the activities you have completed. Then send us a pic of the completed flyer on Seesaw at the start of next year to share what you've accomplished!

Dear CDS families,

What a year! As always, what is most important to us at Carrollwood Day School is that you continue to focus on the overall health and well-being of your family. We are incredibly proud of your child and the effort you all have put into learning this year. The level of care you've continued to show throughout these trying times to teachers, families, and our community, is astounding. We are grateful for your partnership!

As you enter the summer months, please do so knowing that you are in our thoughts, and we want to support you anyway we can. Therefore, we are sending along a resource packet called **Summer Success at CDS**. These flyers are designed to encourage your child to sharpen their skills in a variety of areas: Reading, S.T.E.M., and Social-Emotional Learning. Some of the platforms we have available for students this summer, are Reflex, IXL, and Lexia, which are individualized and adaptive.

We want to assure you that we will be working very hard to meet your child where they are at the start of the next school year and always consider the whole child in our decisions. Please take the time to enjoy the summer, your family, and time away from screens. Time spent with family having rich conversations, helping the community, and making memories will help your child find success during these trying times. **Please consider the learning needs of your child along with their emotional well-being and let that guide your decision to participate.**

If you choose for your child to participate, they should send us a picture of the Summer Success Flyer(s) they have chosen to work on, via Seesaw, in the fall. We wish you a healthy, safe, and successful summer!

With much care,

Your CDS Lower School Learning Support Team
